Lo sviluppo è sostenibile se soddisfa i bisogni delle generazioni presenti senza compromettere le possibilità per le generazioni future di soddisfare i propri bisogni.

(Brundtland Report, United Nations, 1987)

e' tempo di green made

Green Made significa pensare, progettare e produrre in armonia con l'ambiente.

Green Made: perché In una economia globale assume un ruolo sempre più importante la protezione delle risorse disponibili ed in particolare lo studio degli aspetti ambientali legati alle diverse attività produttive. L'aumento dei consumi delle risorse non rinnovabili (i minerali ed i metalli come pure i combustibili fossili), dovuto alla costante crescita della popolazione mondiale, impone standards di produzione che privilegino la conservazione delle risorse disponibili. I nostri processi produttivi sono frutto di una globale attenzione alla tutela dell'ambiente.

La gestione accurata di questi processi ha portato, tra le altre cose, all'ottenimento della certificazione UNI EN ISO 14001

«Sistema di gestione ambientale certificato».

Green Made: il valore Ogni singola fase di progettazione e produzione è attentamente analizzata sotto il profilo dell'impatto ambientale ed ogni scelta successiva dettata dal raggiungimento degli obiettivi di eco compatibilità. Così durante la produzione vera e propria, saranno le più avanzate tecnologie appositamente sviluppate ed i più severi controlli, effettuati da personale qualificato, a garantire Green Made by Colombo Design: un prodotto nato con il pensiero costantemente rivolto all'ambiente.

Sustainable development is development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

(Brundtland Report, United Nations, 1987)

it's green made time

«Green made» means thinking, developing and manufacturing in harmony with our environment.

Green Made: why Protecting our resources is more and more important in a global economy, and in particular paying attention to reflections of manufacturing onto the environment. Increase of consumptions of non-renewable resources (minerals, metals and fossil combustibles) due to increase of population, imposes manufacturing standards which privilege conservation of the available resources and raw materials. Our production processes are the result of a total attention to environmental protection. By the accurate management of these processes we obtained the UNI EN ISO 14001 certification «Certified environmental management system».

Green Made: values Each design and production step is carefully checked with regards to the environmental impact and each following decision is taken if our eco-compatibility objectives are fully reached. This means that when we manufacture our products, the Green Made concept by Colombo Design will be guaranteed by the advanced technologies and very strict controls carried out by a very highly qualified personnel, generating a product conceived constantly thinking of the environment.

trattamento di protezione garantito 30 anni

Trattamento con la garanzia di “30 anni” sulle finiture **Zirconium Gold** e **Zirconium Stainless-Steel**. I prodotti trattati con il processo PVD garantiscono prestazioni di lunga durata. L'utilizzo di questi prodotti è particolarmente indicato in ambienti corrosivi, come aree marine ricche di salsedine o in zone soggette a piogge acide. L'utilizzo in pieno sole e le escursioni di temperatura non pregiudicano l'estetica del prodotto con viraggi di tonalità del colore. La durezza del rivestimento e il basso coefficiente di attrito superficiale garantiscono un'ottima resistenza ai graffi dovuti, per esempio, all'utilizzo di anelli. Eventuali ammaccature provocate da urti o colpi possono intaccare l'integrità e provocare il decadimento delle prestazioni del rivestimento.

trattamento di protezione garantito 10 anni

La lunga esperienza maturata nel settore dei trattamenti galvanici, unita alla scelta di prestare particolare attenzione alla qualità nei processi produttivi, consentono a Colombo Design di garantire le finiture dei suoi prodotti oltre la normale copertura prevista dalla legge. E' quindi con particolare orgoglio che offriamo ai nostri utenti la garanzia di “10 anni” sulle finiture **Cromo**. Per un utilizzo ottimale del prodotto, ed ottemperare alle regole della garanzia: evitare l'impiego di sostanze solventi, abrasivi, alcool; rimuovere le eventuali tracce di sporco e polvere solo con un panno inumidito in acqua tiepida.

treatment protection guaranteed 30 years

Treatment with warranty of “30 years” on **Zirconium Gold** and **Zirconium Stainless-Steel** finishings. All PVD-treated products with High Protection System finishing guarantee better performance than any other type of coating, either galvanic or lacquer. The use of these products is strongly recommended in such places as high-salinity marine areas or areas subject to acid rains. The use in bright sunshine and temperature ranges does not cause color changes. The hardness of the coating and the low rate of surface friction ensure a very good resistance to scratches due to the use of rings (for example). Any dents due by hits or impact can spoil the surface and affect the coating performance.

treatment protection guaranteed 10 years

The long experience in the field of galvanic treatments, combined with the choice to pay special attention to the quality in production processes, enable Colombo Design to ensure the finishings of its products beyond the normal warranty provided by law. It is therefore with great pleasure, we offer to our end-users the warranty of “10 years” on **Chrome** finish. This commitment of product durability is our strong and alternative response to consumerism «disposable». For maximum performance, kindly comply with the rules of warranty: do not use solvents, abrasives or alcohol; remove any traces of dirt and dust only with a cloth dampened in water.

ALIZÉ

Un approccio alla materia proprio come l'avrebbe avuto l'aliseo, plasmando e avvolgendo ogni contrasto e accarezzando ogni dettaglio degli accessori; ne risultano delle figure dai profili morbidi e dai toni briosi, che ben si adattano a completare le nuove sale da bagno ed a rinnovare quelle passate.

Approaching like the sail winds shaping and stroking all minute contrasts in accessories, the result is figures alive with soft melodies and profiles that are well suited to complement the new bathrooms and to renew the old ones.

“La prima regola, e forse l’unica, del buono stile è che si abbia qualcosa da dire: con questa regola si va lontano.”

“The first rule, then, for a good style is that the author should have something to say; nay, this is in itself almost all that is necessary.”

La collezione Forever è stata appositamente progettata per un fissaggio a muro e vetro ottenuto con uno speciale nastro biadesivo in schiuma acrilica ad alte prestazioni (3M™ VHB™). Le caratteristiche tecniche di questa serie, unite ad un sistema di montaggio semplice e rapido, consentono un utilizzo dell'accessorio in condizioni difficili senza mai pregiudicare la tenuta e l'estetica. Le strisce biadesive sono già premontate sul pezzo e, per la preparazione della superficie del muro, all'interno della confezione sono presenti un kit di pulizia ed uno stick con il primer/attivatore. Attenzione: si sconsiglia l'applicazione dei pezzi su superfici particolarmente ruvide o poco compatte, così come su intonaci, resine e muri grezzi.

The Forever collection has been specially designed for a wall and glass fixing with a special high performance double sided acrylic foam tape (3M™ VHB™). The technical characteristics of this collection, combined with a quick and easy mounting system, allow an use of the appliance even in difficult conditions without ever affecting the aesthetics or the durability of use. Adhesive strips are already preassembled on the piece and, for the preparation of the wall surface, inside the box there is a cleaning kit and a stick with the activator/primer. Attention: we do not recommend the application of the pieces on surfaces particularly rough, resin as well as on painted walls.

KHALA

Makio Hasuike ha voluto interpretare l'ottone, materiale predominante negli accessori della serie, alleggerendone gli spessori ed il volume, per giungere all'essenzialità del segno. Design di sintesi, quindi sinonimo di contenuti semplici ma capaci di evocare emozioni. Ogni accessorio della serie Khala è un pezzo fuso unico e gli sbalzi asimmetrici nei supporti degli accessori creano leggerezza e fluidità. Una collezione di oggetti di arredamento di grande personalità e forte valenza semantica.

By reducing the proportions and mass of the accessories, Makio Hasuike has redefined the use of brass, the core material of this “essential” collection. Simple and abstract designs, but with a strength of character that evokes an emotional response. Each accessory of the Khala range is cast as one piece, in an asymmetrical style which gives delicate and flowing lines. A collection of bathroom furnishings with a strong and distinctive personality.

Quando si tratta di dare forma ad un oggetto, ci si confronta con il tema della responsabilità.

When it comes to giving shape to an object, you are confronted with the issue of responsibility.

LAND

Un gruppo di progettisti giovani, competenti e geniali, ha ideato una collezione di complementi per l'arredo del bagno denominata "LAND", le cui linee curve si dispiegano armoniosamente e rimandano a forme primarie che suscitano emozioni.

A group of young, skilled and ingenious designers, have conceived a collection of accessories called "LAND", whose curves unfold harmoniously reminding us of primitive shapes that stir up emotions.

LINK

Sottrarre, valorizzare la funzione, sottolineare il concetto: semplicità sinonimo di leggerezza. Link di Angeletti e Ruzza è una collezione di oggetti che non vincola l'arredamento del bagno, liberandolo da soluzioni scontate. Link è espressione fondamentale di design ricondotto a segni minimi che esaltino il contesto per recuperare uno stile rigoroso finalizzato a rinnovarsi nel segno dell'eccellenza.

The attempt to get to the heart of concept of simplicity reveals its importance on functional values. Collection Link, by Angeletti e Ruzza expresses a multiple identity for any living solution. The early sign gains its potential in appealing contests and expectations of bath areas, increasing a perfect style under discerning excellence.

Due oggi sono i requisiti richiesti agli oggetti: emozione e tecnologia.

MELÒ

Lontano dalle facili tentazioni delle mode passeggere e desiderando esprimere sensibilità ed equilibrio in oggetti di uso quotidiano, Ambrogio Rossari ha disegnato Melò, collezione di accessori “senza tempo”, il cui rigore formale li assimila con facilità agli altri elementi dell’ambiente bagno.

Uninfluenced by the passing trends of fashion, and with a strong wish to express sensitivity and balance in objects of daily use, Ambrogio Rossari has designed Melò, a collection of timeless accessories with such a stark simplicity that they combine with other items of bathroom furniture to perfection.

“C'è anche una concezione poetica del design, un percorso di luoghi e di memorie.”

“There is also a poetic view in design, a journey of places and memories.”

NORDIC

Una collezione dove ogni elemento torna a rispondere all'esigenza funzionale per il quale viene scelto. Oggetti per il vivere contemporaneo dove l'estetica è sempre stile non urlato, e l'esperienza dell'Azienda si fonde con la forma per vivere il prodotto negli anni futuri.

A collection where each element is the answer to the functional need for which it has been chosen. Objects for the contemporary living where aesthetic is an uncried style and where the company's experience merge with form into a timeless product.

“L'ovvio è quel che non si vede mai, finchè qualcuno non lo esprime con la massima semplicità.”

“The obvious is that it is never realized until someone expresses it with ease.”

OVER

Razionalità ed emozione. La collezione Over propone un utilizzo armonico di materiali altamente tecnici plasmati da forme morbide, senza tempo. L'accessorio da bagno raggiunge così nuovi ed evoluti standard di riferimento, svincolandosi dal tradizionale concetto di applicazione attraverso l'utilizzo di un sistema di fissaggio a muro con adesivi tecnologici. Over di Colombo Design: la scelta per chi vuole di più, anche nel proprio bagno.

Rationality and emotion. The Over collection offers an harmonic use of highly technical materials modeled by soft timeless shapes. The bathroom accessory reaches in this way new and advanced standard, freeing itself from the traditional concept of application through the use of a wall fastening system with technological adhesive. Le strisce biadesive sono già premontate sul pezzo e, per la preparazione della superficie del muro, all'interno della confezione sono presenti un kit di pulizia ed uno stick con il primer/attivatore. Attenzione: si sconsiglia l'applicazione dei pezzi su superfici particolarmente ruvide o poco compatte, così come su intonaci, resine e muri grezzi.

PLUS

Negli oggetti di uso quotidiano la ricerca del segno formale rende talvolta secondaria la funzionalità. Piet Billekens ha ristabilito nel progetto PLUS l'equilibrio tra concetto e funzione, disegnando complementi d'arredo non subordinati a stili o tendenze. Massima attenzione ai materiali e peculiare controllo dei processi di lavorazione sono garantiti da Colombo Design che condivide il concetto di qualità totale.

Sometimes the research of a formal design in everyday used objects might give to functionality a secondary role. Thanks to Arch. Piet Billekens the project Plus has re-established the balance between concept and function, designing furnishing complements free from any style or trend. The highest attention was also given to the materials, with a peculiar control to the manufacturing process granted by Colombo Design that shares the common concepts of total quality.

ROAD

Geometrie pure e lineari sono state combinate alla fibra di carbonio, materiale iconico del marchio, al vetro satinato e all'acciaio cromato per creare un contrasto materico che enfatizza la doppia anima di Momodesign: ricercata e sportiva. Una collezione dallo stile deciso, contemporaneo, pensata per gli interni di abitazioni metropolitane.

Pure and linear geometrics have been combined with carbon fibre, the brand's iconic material, natural acid glass and chrome steel to create a contrast that highlights Momodesign's refined and sporty essence. The collection embodies the urban and contemporary style of the brand, conceived for metropolitan homes.

“È la strada impervia quella che conduce alla grandezza.”

“It is a rough road that leads to the heights of greatness.”

BASIC

L'essenzialità è difficile da raggiungere: quando vediamo qualcosa di talmente semplice che ci fa dire “potevo farlo io”, significa che dietro c'è il lavoro di un team di progettisti che ha lavorato per l'essenzialità. Basic è la nuova sfida di Colombo Design: oggetti pensati, curati e caratterizzati da una qualità ed un prezzo “accessibile”.

The simplicity is difficult to achieve: when we see something so simple that makes us say "I could have done it by myself", means that behind there is the work of a team of designers who worked for essentiality. Basic is the new challenge of Colombo Design: objects designed, thought and edited with a quality and a price "accessible".

“La semplicità non è una cosa semplice.”

“Semplicity is not a simple thing.”

I SOLE

Gli architetti Anna e Carlo Bartoli hanno realizzato complementi d'arredo essenziali, progettati con rigore stilistico per ricomporre gli spazi dell'ambiente bagno. Il programma Isole evolve e si concretizza in un sistema di piantane e colonne polifunzionali a parete.

In their characteristic concise and elegant style, Anna and Carlo Bartoli have developed the “Isole Collection” to create a system of multi-functional free-standing bathroom accessory columns.

UNITS

La collezione di piantane e colonne Units esprime il concetto di forma con funzione e di lusso con linearità. Elementi d'arredo che caratterizzano lo spazio con soluzioni esclusive ma universali dove l'accessorio, spesso oggi nascosto, torna ad essere assoluto protagonista della stanza da bagno.

The Units collection of wall and standing columns is the expression of form and functionality in a rich but linear way. Furnishing elements mark out the space with exclusive but at the same time universal solutions, where the bathroom accessories are not hidden any more and represent the leading element in bathroom decoration and furnishing.
